

Dear South Jordan Middle School Parents,

Smith's Food and Drug is committed to helping our communities grow and prosper. Year after year, local schools, churches and other nonprofit organizations earn millions of dollars through Smith's Inspiring Donations.

South Jordan Middle School is teaming up with Smith's Food and Drug with an opportunity for our school patrons to make donations as they shop and purchase items in all Smith's stores. Smith's Inspiring Donations program makes fund-raising easy..all you have to do is shop at Smith's Food and Drug and swipe your Rewards Card!

Linking your Reward Card to South Jordan Middle is easy. Just visit Smith's website at <http://www.SmithsFoodandDrug.com/Inspire> .

Smith's Food & Drug will donate .5% of every eligible purchase made to South Jordan Middle School once your *rewards* card is linked. We would like to ask for your support in this effort. Invite other extended family to join in this cause. It does not cost anything, but the rewards can be huge.

In the past we have had several hundred dollars donated to our school each year. We have used the money to purchase i-pads and other equipment, and overall give South Jordan Middle School's students a better education.

Thank you for your support!
